

Field Supervisor A-Maintenance, Full-Time Openings in: Belgium, Random Lake and Manitowoc, WI

GENERAL SUMMARY:

Supervise all maintenance and production of full-time field mechanics. During the packing season, oversee the crew leader/mechanic for field operations. In the off season, oversee the overhaul and repair of machinery and vehicles used in field operations.

PRINCIPLE DUTIES AND RESPONSIBILITIES:

- Supervise all maintenance and seasonal employees.
- Understand and carry out technical directions.
- Must have a full complement of tools to use both during and in between packs.
- Knowledge of all production and processing systems.
- Formulate parts orders for all equipment and keep an efficient and accurate inventory of all parts necessary for stock.
- Keep an open line of communication with subordinates.
- Develop work schedules.
- Estimate time and materials for specific jobs and be cost conscious at the same time.
- Take control of assigned areas of the operation to assure the completion of all tasks involved in prepack and day-to-day pack operations.
- Must meet all minimum requirements of Field Mechanic A. In addition, must have specific knowledge of all field equipment, its operation and preventative maintenance and repair. Must also be very proficient in several categories of job requirements and possess some knowledge of all others.
- Promote company safety policies and procedures. Be able to detect and correct any potential safety hazards.
- Responsible for the operation, care and up keep of all company owned tools and equipment that his/her department uses.
- Must know all equipment and personnel practices in his department.
- Ensure employees maintain work area in a clean and orderly manner.
- May perform other duties as assigned by the Managers.
- Adhere to all Lakeside Foods established policies and procedures.
- Develop basic first aid skills.
- Assist in accident investigations.
- Maintain work area in a clean and orderly manner.
- May perform other duties as assigned by Managers.
- Adhere to all Lakeside Foods policies and procedures.

PHYSICAL DEMANDS:

- Standing – must be able to stand entire shift
- Walking - Walks periodically to get parts and materials
- Sitting – Limited sitting required
- Lifting – Able to regularly lift up to 25 pounds; lift up to 100 pounds on an occasional basis during a repair
- Carrying – Must be able to carry up to 75 lbs. for 100 ft.
- Pulling – Able to pull items of 200 lbs. occasionally
- Climbing – Must occasionally climb or balance and stoop, kneel, crouch or crawl
- While performing the duties of this job, the employee is regularly required to use hands and fingers to handle, or feel objects, tools, or controls, and reach with hands and arms.

Three to five years experience as a Field Mechanic or equivalent experience. Should be familiar with preventative maintenance procedures, machine adjustments and harvesting operations.
