

Plant Electrician Brooten, MN

GENERAL SUMMARY:

Plan layout, install and repair wiring, electrical fixtures, motors, apparatus, and control equipment. Plan new and modified installations consistent with specifications and local electrical codes.

PRINCIPLE DUTIES AND RESPONSIBILITIES:

- Must be competent in all phases of electrical work and must know how to cut, thread, and bend conduit.
- Must be able to read machine electrical blueprints.
- Order supplies.
- Must know and respect all electrical systems that are common to the plant.
- Must know the best possible installation procedures for the areas you are working in.
- Must be able to work with some supervision. Must be able to carry out instructions with minimal explanations.
- Know and practice good safety techniques at all times. Use common sense and good judgment to protect yourself and others working around you.
- Keep an open line of communication with co-workers and supervisors.
- Responsible for the use and care of all company equipment used in assigned jobs.
- Maintain work area in a clean and orderly manner.
- May perform other duties as assigned by the Manager/Supervisor.
- Adhere to all Lakeside Foods policies and procedures.
- Notify supervisor immediately if any unsafe or potentially hazardous conditions are discovered.

KNOWLEDGE, SKILLS AND ABILITIES REQUIRED:

Knowledge:

- High school diploma or general education degree (GED). Must be certified by the State to meet all requirements necessary to hold an electrician rating plus six months to one year related experience and/or training.

Language Skills:

- Ability to read and comprehend simple instructions and short correspondence.

Reasoning Ability:

Ability to apply common sense understanding to carry out detailed but uninvolved written or oral instructions.

TEAMWORK AT LAKESIDE (TAL):

- Through individual and team efforts, enthusiastically work toward the continuous improvement of his/her job, work area, department and Lakeside as a whole. Fully participate in TAL by "living" Lakeside's Standards of Conduct and being an active member of operational and project teams. By action and work, clearly and visibly demonstrate the spirit of teamwork, cooperation and respect for others in all business transactions and exchanges.

PHYSICAL DEMANDS:

- While performing the duties of this job, the employee is regularly required to stand; walk; use hands and fingers to handle or feel objects, tools, or controls and reach with hands and arms.
- The employee is occasionally required to climb or balance and stoop, kneel, crouch, or crawl.
- The employee must regularly lift and/or move up to 25 pounds.

WORK ENVIRONMENT:

- While performing the duties of this job, the employee occasionally works near moving mechanical parts.
- The noise level in the work environment is usually moderate.
