

A WARM WISCONSIN WELCOME TO

Lakeside Foods has acquired Smith Frozen Foods. And not just because we like the cold. Our latest acquisition will expand our product portfolio and distribution throughout the West Coast, while bringing customers the same great products and service they've come to expect.

NOW SHIPPING FROM THE WEST COAST

**SAFE FOOD
ALWAYS**

With Lakeside Foods' new acquisition of Smith Frozen Foods, we are now shipping frozen veggies all along the west coast from our facility in Weston, Oregon.

What this means for you:

- A wider variety of frozen veggies
- All Lakeside Foods sites are SQF certified
- The same high-quality products and customer service
